

DIPLOMA OF ACCOUNTING

Course Description

Course Durations:
30 Weeks

**Intake: 10 Mar, 14
Apr, 26 May, 7 Jul,
18 Aug, 22 Sep, 3
Nov**

Diploma of Accounting will allow you to work in a range of accounting disciplines and it is excellent for those who are willing to work in accounting offices or running their business. After completing this course, those who are self-employed do not have to rely on BAS agent for their company accounts as they themselves will have better understanding of company financial health. Individuals may have a range of opportunities working in different areas of the accounting section. Upon completing this course, you will be able to perform income tax return, prepare management accounting reports, and maintain internal control

system.

Career Outcome

Possible Career outcomes after completing this qualification or units of competency:
